Notice of Revisions to Forecasts of Financial Results for Fiscal Year 2020
(January 1, 2020 to December 31, 2020)

Canon Marketing Japan Inc. has revised its consolidated financial forecast for the fiscal year (FY) 2020 (January 1 to December 31, 2020) as announced on January 28, 2020, as follows:

1. Difference between Consolidated Financial Forecasts for FY 2011 and Actual Results

(million yen, %)

	Net Sales	Operating income	Ordinary income	Net income
Previous forecasts (A)	600,000	34,000	35,000	22,800
New forecasts (B)	-	-	-	-
Change in amount (B-A)	-	-	-	-
Change (%)	-	-	-	-
[For reference] Results for FY 2019	621,134	32,439	33,937	22,250

2. Reasons for Revision

The Group's core businesses, such as business equipment and consumer products, have been affected by the prefectural governors' announcements requesting that residents refrain from going out and the Japanese Government's declaration of a state of emergency due to the COVID-19 coronavirus outbreak. In these circumstances, it is difficult to make a reasonable financial forecast as there are many uncertain elements now that will impact business results. Therefore, we have withdrawn the financial forecast published on January 28, 2020, and a new forecast has yet to be determined.

We will disclose the revised figures when it becomes possible to reasonably forecast business results.
