Notice Regarding Revision of Dividend Forecast for FY2022

The company announces that at the meeting of the Board of Directors held on October 25, 2022, it has decided to revise its dividend forecast for the fiscal year ending December 31, 2022.

1. Reasons for the revision

Our basic policy on profit sharing is to pay dividends based on the consolidated payout ratio of at least 30%, taking into comprehensive consideration our medium-term income outlook and investment plans, as well as cash flows generated from them. In accordance with the aforementioned policy and the revision of financial forecast for the current fiscal year, the company plans to implement a year-end dividend of JPY 45.00 per share and revise a full year dividend forecast to JPY 85.00 per share.

2. Revisions to dividend forecast
